

Statement of Limited Warranty (“Warranty”): Subject to the exclusions set forth below, ANP Lighting warrants its Product(s) shall be free from defects in material and workmanship of non-electrical components for a period of five (5) years from the date of shipment for materials and 90 days for labor.

LED WARRANTY

For light emitting diode (“LED”) Product(s), the LED arrays (“LED Platform and Tower”) in the Product(s) will be warranted for a period of seven (7) years from the date of shipment from the factory and considered defective in material or workmanship only if a total of 10% or more of the individual LEDs in the Product(s) fail to illuminate. The LED Driver shall be covered under warranty for five (5) years from date of shipment from factory.

BALLAST WARRANTY

Ballasts, capacitors and igniters are guaranteed by the ballast manufacturer. Units will be exchanged by the local ballast manufacturer’s authorized dealer or by ANP Lighting, acting as their agent. Neither the ballast manufacturer, his agent nor ANP Lighting will honor cash reimbursement claim to cover material charges for replacement ballasts, capacitors or igniters. No charges for rental of equipment or travel time will be paid by ANP Lighting. If the customer feels they will want labor reimbursement, they need to handle the defective item DIRECTLY through the ballast manufacturer.

THIRD-PARTY ACCESSORIES

Photocells (standard issue NEMA and button type), occupancy sensors, low voltage indicators, fuses, surge suppressors, Emergency battery packs, and other third-party accessories that are not manufactured by ANP Lighting are excluded from this warranty, but may be covered by a third-party manufacturer. Such third-party manufacturer shall be solely responsible for the costs related to any claims associated with any such accessories.

Units will be exchanged by the local manufacturer’s authorized dealer or by ANP Lighting, acting as their agent. Neither the manufacturer, his agent nor ANP Lighting will honor cash reimbursement claim to cover material charges for replacement of such material. No charges for rental of equipment or travel time will be paid by ANP Lighting. If the customer feels they will want labor reimbursement, they need to handle the defective item DIRECTLY through the respective manufacturer

FINISH WARRANTY

ANP Lighting warrants its standard finish for a period of one (1) year and marine grade finish for a period of five (5) years from date of shipment, respectively. ANP Lighting will, at its sole option, repair or replace the defective finish if it exhibits visible exterior-surface cosmetic defects in paint and material finishes (described as chips, pitting, corrosion, chalking/fading, cracking, peeling, and excessive fading) exceeding 50% loss from the initial 60-degree gloss per ASTM D523-08, and other surface deterioration greater than 15% of the surface. During the Warranty period some fading, staining or chalking may occur. This is normal aging for the finish used and not considered a manufacturing defect, and is not covered by our warranty. ANP Lighting does not warrant paint and material finishes when Product(s) is installed in a coastal application, unless the Product(s) is ordered with Optional Marine Grade Powder Coat Finish. ANP Lighting will not be responsible under this Warranty for any substantial deterioration in the Product finish that is caused by failure to clean, inspect or maintain the finish of the Product(s).

GENERAL

This Statement of Limited Warranty (“Warranty”) applies only when the Product(s) are installed in applications in which ambient temperatures are within the range of specified operating temperatures and are operated within the electrical values shown on the LED driver Label.

ANP Lighting shall not be responsible under this Warranty for any failure of the Product(s) that results from external causes, including, but not limited to, acts of nature; power surges that exceed product specification; improper power supply physical damage; exposure to adverse or hazardous chemical or other substances; use of reactive cleaning agents and/or harsh chemicals to clean the Product(s); environmental conditions; vandalism; fire; power failure, improper power supply, power surges or dips, and/or excessive switching; induced vibration; animal or insect activity; fault or negligence of purchaser, any end user of the Product(s) and/or any third party not engaged by ANP Lighting; improper, unauthorized or abnormal use in violation of any applicable standard, code or instructions for use in installations including those contained in the latest National Electrical Code (NEC), the Standards for Safety of Underwriters Laboratory, Inc. (UL), Standards for the American National Standards Institute (ANSI), in Canada, the Canadian Standards Association (CSA); handling, storage, alteration, maintenance or service, including failure to abide by any product classifications or certifications, or failure to comply with any applicable standards, codes, recommendations, product specification sheets, or instructions of ANP Lighting; use of the Product(s) with products, processes or materials supplied by any end user or third party; or any other occurrences beyond the reasonable control of ANP Lighting.

If the Product(s) are used on existing foundations, anchorages or structures, the end user is solely responsible for the structural integrity of such existing foundations, anchorages or structures and all consequences arising from their use. Adequate records of operating history, maintenance, and/or testing must be kept by the enduser and provided to ANP Lighting upon request to substantiate that the Product(s) have failed to comply with the terms of this Warranty. Neither polycarbonate nor acrylic material used in the Product(s) is warranted against yellowing, as yellowing may naturally occur over time due to normal aging.

FIXTURE WARRANTY

ANP Lighting reserves the right to ask for said defective product to be returned for inspection in some cases replacement product will be invoiced until a determination by ANP Lighting that product is in fact, defective. Once determined defective, ANP Lighting will repair or replace freight prepaid, any ANP Lighting product defective in workmanship or materials. ANP Lighting reserves the right to ship replacement parts via the most economical way. Customer is responsible for any freight charges over normal ground rates. Such replacement is the exclusive remedy against ANP Lighting should any of the fixtures delivered prove defective, and is limited to one year from date of shipment for materials and 90 days for labor. We reserve the right to determine the best method of correcting problems.
