

Project Name: _____

Fixture Type: _____ Quantity: _____

Customer: _____

Specifications

General:

Surface mount escutcheon for wall mount arms.

Finish is same as shade, unless otherwise specified.

Material:

Die Cast Aluminum.

Mounting:

Mounts directly to structure over open conduit exit or 3" junction box.

May mount directly to 4" junction box for indoor applications with less than 5 lbs. loading.

All mounting hardware is by others.

Finish:

A polyester powder coat high quality finish is electro-statically applied and baked at 430° for exceptional durability and color retention. Products undergo an intensive five-step cleansing and pretreatment process for maximum paint adhesion.

Marine grade finish provides superior salt, humidity and UV protection. This coating withstands up to 3000 hours of continuous salt spray, comes with a 5-year warranty and is available in either a textured or gloss surface.
