

Since 1985, ANP Lighting has been inspiring and empowering innovative lighting solutions.

Today, ANP Lighting is a leading manufacturer of energy-efficient architectural lighting solutions for corporate/office, municipal, education, sports and entertainment, hospitality, and retail applications. We expertly configure and manufacture interior, exterior, site, pedestrian, and roadway lighting that aligns with aesthetic vision and beautifully illuminate design details.

Our extensive line of lighting products and collections is complemented by a wide array of mounting, size, and color options – one of the largest selections in the industry. Our in-house lighting experts can help architects, designers, and specifiers develop lighting solutions with the high quality, craftsmanship, and value only products made in the U.S.A. can deliver.

Optional Fabric Color Cords – Please note that the cord color options shown are available for standard installations. If dimming is required, the driver will be housed in the ceiling canopy, which may impact certain design considerations. For additional information or specific requirements, please consult with our engineering team. Visit <https://anplighting.com/color-cords/> for more details.

Finishes

Visit <https://anplighting.com/colors-of-anp-lighting/> for more details. Custom finishes available.

Marine grade finishes are available. Colors shown may differ slightly from painted color.
