Buy American:

This product is Made in USA and meets the Buy America(n) government procurement requirements under FAR, DFARS, and DOT regulations.

Ember draws inspiration from the quiet intensity of a glowing ember, bringing warmth, depth, and refinement to decorative lighting. Its smooth, spun aluminum form evokes the soft, rounded shape of a flame at rest, subtle yet visually compelling. Balancing clean, modern design with an inviting presence, Ember creates an atmosphere that feels both intimate and elevated. Offered in **16"**, **20"**, and **24"** sizes, this refined fixture brings warmth, depth, and understated elegance to any space.

Ember Collection

Since 1985, ANP Lighting has been inspiring and empowering innovative lighting solutions.

Today, ANP Lighting is a leading manufacturer of energy efficient architectural lighting solutions for corporate/office, municipal, education, sports and entertainment, hospitality, and retail applications.

Our extensive line of lighting products and collections is complemented by a wide array of mounting, size, and color options – one of the largest selections in the industry. Our in-house lighting experts can help architects, designers, and specifiers develop lighting solutions with the high quality, craftsmanship, and value only products made in the U.S.A. can deliver.

Finishes
